LACHELLE ROBOTHAM

SENIOR WEB DESIGNER

With a background in branding, advertising, UX/UI design, and architecture. I have a strong belief in creating strategic and well-crafted experiences online and in real life.

SENIOR WEB DESIGNER

Whiteboard Creative Agency | Nov. 2022 - Feb. 2024

I collaborated with a team of designers, developers, and strategists to craft user-friendly web experiences. Using Figma, I developed detailed design systems and prototypes, ensuring smooth handoffs to dev and providing clients with a clear visual understanding of their website before launch, fostering engagement and satisfaction. Emphasizing a mobile-first approach, many of my projects were tailored to meet evolving user needs across multiple platforms.

BRAND EXPANSION DESIGNER

Compass Real Estate | Feb. 2021 - Oct. 2022

Worked within an in-house team of designers to build and expand the Compass brand on a national level. Completing projects such as agent logo design, social assets, out-of-home assets, UI, animation, and more.

VISUAL DESIGNER (CONTRACT)

Giant Spoon LA | May 2020 - Nov. 2020

Worked in partnership with copywriters, art directors, and strategists to create and launch Highlights Magazine's first-ever brand campaign in its 74-year history as well as define its future brand visuals. Also played a key role in the devlopment of concepts and digital assets for Amazon, Snapchat, and MLB.

FREELANCE GRAPHIC DESIGNER

Atlanta, GA | May 2017 - Present

Providing services like branding, logo and web design, and photography for clients ranging from small businesses to non-profits like Boys & Girls Clubs and Make-A-Wish Foundation. My freelance experience has honed my self-discipline, strategy, concepting, and client communication skills.

GRAPHIC DESIGNER + RECRUITER

Memphis Teacher Residency | Aug. 2014 – Jun. 2017

I enhanced and managed the MTR brand by creating logos, marketing materials, and web graphics, including brochures, banners, and campaign graphics. I oversaw print and digital material selection and distribution, managed vendor relationships, and developed strong communication and presentation skills through recruiting and networking.
